

# Entre Nous Club Visits Housing Projects

*The Record* 11/29/44

Members of the Entre Nous club visited Tuesday the three developments of the Columbia Housing authority; Gonzales Gardens, Allen-Benedict court, and Andrew Jackson Homes.

The club had visited Gonzales Gardens and Allen-Benedict court while they were under construction.

A feature of both projects was the equipment for community life and recreation.

The group enjoyed lunch at the Fort Jackson Service club, and a trip was taken through the Fort bakery.
