Subject: Calendar

This still is the calendar I need to be looking at for current information, right? I just haven't seen today's events updated on this one.

The screenshot displays the Outlook Web App calendar interface for June 2017. The calendar is viewed in a monthly grid format, with the current date, June 17, 2017, highlighted. The calendar shows several events for Catherine McNicoll, including:

- 8:30a Pharmacy (8 hours 30 minutes)
- 8:30a Speakin
- MEMORIAL D (Monday, June 12)
- 12p Lunch will (Wednesday, June 14)
- 12p Lunch Mt (Thursday, June 15)
- 8:30a Pharma (Friday, June 16)
- 8:30a Pharma (Saturday, June 17)
- 8:30a Speak ti (Sunday, June 18)
