**Subject:** EFA and Employer Contributions

---

Josh and Christian:

Good morning, thank you for the meeting. I conferred with John Cooley regarding the EFA and Employer Contribution line items.

The reason for the split between the two is EFA mostly pays for school district salaries. If the budget doesn't recognize this split, then someone can claim the Employer Contribution line is "unfunded" and then you get into that whole debate. That is why it was split between the two.

JWR
