

South Carolina Department of Transportation

2015 Major Flood Report Statewide Operations

(8:00 AM- REPORT)
October 28, 2015

Statewide Summary – SCDOT Operations opened 6 more roads and 2 bridges since this time yesterday. 12 hour shifts continue in recovery areas. There are 56 roads and bridges under contract for repairs.

SCDOT (construction group) and FHWA damage assessment teams continue to work to manage and expedite ongoing contract repairs in accordance to FEMA requirements.

Fifteen (15) counties have been assigned a SCDOT debris removal contractor. The counties where contractors are working today are:

- Richland
- Lexington
- Sumter
- Georgetown
- Dorchester

96 Crews working on road and bridge closures

Drivers are required to use extreme caution in areas where crews are working.

635	Maintenance Employees Working on Road and Bridge Closures
1393	Maintenance Employees Working on Storm Related Damage and Routine Maintenance Operations*
105	Roads Closed Due to Flood Event (See attached closure list) This number includes 32 bridge closures

There were 113 road and bridge closures yesterday.

*** Note that work continues towards complete restoration even when roads are open to traffic.**

There are 14 locations where Primary Roads are Closed. (see report attachment for details.)

SCDOT Headquarters

Engineering continue to facilitate recovery operations and manage debris removal by contractors.

The Call Center is operational. (855-GO SCDOT) 855-467-2368 **If the road is covered with water, “turn around, don’t drown”**

Districts 2, 3, 4 and 6

Districts 3, 4 and 6 maintenance forces have completed road and bridge openings and District 2 continues to repair 5 closed roads.
