Ah, can we just have his name, title and email address on the bottom of the photo I sent instead of his logo?

Thank you!

Friday would be too late for this issue.

I can make one with the picture you sent and you can always change it if you want.....
will that work?

When do you need it by? Is there any way I could send it to you Friday?

Question:

His article includes a 1/4 page color picture or AD.....

Did you have that also?

It is included in the price.

I'll send you the ad he had as Senator.....and maybe we can do something similar with new position.
This can be in color also

HOPE
