Subject: Pork on your fork

Can you imagine our Leader taking this stand!!!

... and just one more reason to be aware.

I wonder how many years (hundreds for sure) that Jewish people have lived in Quebec. I don't believe that they have ever demanded that pork be removed from the school's menu where their children attend.

Excellent reply by the Mayor of Quebec to the "demands" of the Muslim population in his community.

Put some pork on your fork.

Too bad the USA doesn't have the common sense to publish this nationwide.

Should also be posted on signs all along U.S. borders.

Let's hear it for a Quebec mayor.

Or as the commercial promoting pork says "put some pork on your fork"

MAYOR REFUSES TO REMOVE PORK FROM SCHOOL CANTEEN MENU.

EXPLAINS WHY

Muslim parents demanded the abolition of pork in all the school canteens of a Montreal suburb.

The mayor of the Montreal suburb of Dorval, has refused, and the town clerk sent a note to all parents to explain why...

"Muslims must understand that they have to adapt to Canada and Quebec, its customs, its traditions, its way of life, because that's where they chose to immigrate.

"They must understand that they have to integrate and learn to live in Quebec.

"They must understand that it is for them to change their lifestyle, not the Canadians who so generously welcomed them.

"They must understand that Canadians are neither racist nor xenophobic, they accepted many immigrants before Muslims (whereas the reverse is not true, in that Muslim states do not accept non-Muslim immigrants).

"That no more than other nations, Canadians are not willing to give up their identity, their culture.

"And if Canada is a land of welcome, it's not the Mayor of Dorval who welcomes foreigners, but the Canadian-Quebecois people as a whole.

"Finally, they must understand that in Canada (Quebec) with its Judeo-Christian roots, Christmas trees, churches and religious festivals, religion must remain in the private domain.

The municipality of Dorval was right to refuse any concessions to Islam
