The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

I am writing to you for your assistance. I have written your office before asking for help with my husband's disability case. He has been turned down several times for benefits. Our lawyer has another application in so hopefully this will result in a positive way. I am on the verge of losing my home because of my current financial situation and I really do not want to lose my home. I have had the only income since January of 2013 and I have struggled with financial issues since that time. I have asked the bank several times to work with me and have explained the situation but they will not help. I filed bankruptcy but am still responsible for the house payment. I have looked into programs that are supposed to help people with their mortgages. All the programs I have seen will not help with mobile homes which I do not think is fair. I live in a mobile home which is financed with a bank. I also have almost 15 acres of land financed with my home.

I really need some assistance. I do not want to lose my home. I have lived in the area all my life and have lived at that address for 8 years. Any type of assistance would be greatly appreciated.

Sincerely,

April McDonald
