WTOC News at Noon (News)

... come on back for the news now at 4pm. until then - log on to wtoc.com for all your up to the minute news - sports and weather. raise the tax and fix the roads! south carolina has some of the poorest roads in the country. it also has one of the lowest gas taxes. governor nikki haley has recommended that the gas tax be raised by 10 cents a gallon to help fund needed improvements. she's also said that she will only support the gas tax increase if there's a corresponding cut in state income taxes to attract new business. one of the attractive features of governor haley's plan is its ability to share some of the burden of road improvements with people ...
