Regarding our state surplus? You said: "We got here by being smart?" Any chance that we got here, because of an improved economy.....across the nation.....and therefore tax revenues have increased? You never mentioned that fact, did you? Nope! This was your self-righteous chance to pat yourself on the back....right? Politicians like you, sicken me! Such opportunists! Governor Haley, you could use a hefty dose of humility in your public pronouncements, and cite ALL the facts! You truly are a transparent hypocrite!
