LG will not be available that day. Darryl, please decide if someone from LGOA should attend.

Stephanie called here again today and said she still had not heard anything. If he's available, the LG can speak anytime from 9a to 12p. I told her that I would pass along and she should hear something back shortly.

Received a call from Stephanie Benjamin at the Lourie Center in Columbia. They would like for the LG and/or Darryl to attend their Fall Festival... more information on the event here:

If the LG is available / interested, we can follow up with Stephanie for some additional details.

Thanks,
