## South Carolina State Parks

at 12:18:14 on 1/22/2014 UTC

Good morning from one of our tent sites at Dreher Island State Park. What do park rangers do when there are perfectly good villas to sleep in at the park? They tent camp, of course, just for sunrises like this.

**Heather Vincelette** That's campsite T14. Our very fav. :)

**Rob Walker** It's the only way to go. We camped at Table Rock last January and loved every minute of it! We need more primitive camp sites at our parks though.

**Janice Horton** Looks like it would be all worth sleeping in a tent just to see this.
