## 3<sup>rd</sup> REQUEST – June 8, 2016

If you have any questions, please call CURRIE's U.S. Deputy "WHITE RACIST" Thug Marshal CHUCKIE (O – 803.765-5821 & C – 803.765-5337) here in his hero's (Dylann Roof) home state. CHUCKIE is one of the dumbest individuals I have ever met, but he is the most intelligent white USMS employee I have encountered because he is the only white USMS employee my family and I have encountered who knows his name and telephone number (lol). My dear mother did state, before CHUCKIE killed her in retaliation for our "TRUTHFUL" letters about judges and the USMS, in her still unanswered letter to USMS Director Clark, which she mailed on June 6, 2008 (*wow – 8 years now*) that "THE ONLY GOOD WHITE U.S. MARSHAL IS A DEAD WHITE U.S. MARSHAL." FYI, she was correctly paraphrasing the remark to me for many years by GA Judge Bryant Huff, which I RECORDED many times during the 16 years I was married to his niece, Pamela Huff Rosenberg, that "THE ONLY GOOD NIGGER IS A DEAD NIGGER." I hope you are not "AFRAID" of "THEY" to do your job and report the TRUTH.

## Fox News anchor Megyn Kelly:

June 3, 2016

Why did you say last night that Donald Trump was is "out of line" for calling the Mexican heritage of U.S. District Judge Gonzalo Paul Curiel, who is overseeing a fraud lawsuit against Trump University, a conflict of interest, but have never said anything for years about the vulgar anti-Semitic slur by your hero, U.S. Supreme Court Chief Justice WILLIAM REHNQUIST, several times in 1997-1998 that I am a "FUCKING JEW"? Thanks – Steve Rosenberg (USMA-1971)

## U.S. District Judge Gonzalo Paul Curiel: June 3, 2016

I am curious. Do you now have the same opinion of Donald Trump as your fellow federal judge, U.S. Supreme Court Chief Justice WILLIAM REHNQUIST, told his and my mutual good friend, U.S. HOR Chaplain James Ford, several times in 1997-1998, beginning in late 1997 in response to my always unanswered Nov. 10, 1997 letter (*copy attached*), which Chaplain Ford told me to send to REHNQUIST about my problems with my wife's really crooked and vindictive "WHITE RACIST" anti-Semitic klan mentality confederate "GOOD-OLE-BOY" moral slut judge – GA Judge BRYANT HUFF, that he had of me? Unfortunately for my family and me, REHNQUIST's former lackey, JOHN ROBERTS, and U.S. District Senior Judge CAMERON CURRIE, who is definitely what my criminal law professor called a "STROM THURMOND 4<sup>th</sup> KLAN CIRCUIT" judicial slut here in Dylann Roof's home state, both agree with REHNQUIST that I am a "FUCKING JEW." Please note that I RECORDED my telephone conversations with Chaplain Ford so please do NOT criminally ignore the despicable truth about Rehnquist. I anxiously await your response and real justice. If you have any questions, call CURRIE's Deputy U.S. "WHITE RACIST" Thug Marshal CHUCKIE. Thanks – Stephen H. Rosenberg Pro-Se (USMA – 1971 and J.D. – 1979)
