The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

The Outreach Committee of Trinity Episcopal Church is presenting "Celebrating Cultures – An Art Gala" in an effort to fund the construction of latrines in San Vicente, Belize. Daniel Grant, a lifelong member of Trinity, is currently serving in the Peace Corps in San Vicente. At the base of the Mayan Mountains, this remote village is home to 66 Mayan families (about 400 people), over half of which do not have latrines. Their current practice of using the "bush" is associated with many obvious health issues. It was out of this need that "Potties for the People" was born! We are excited to host this fundraising event and so thankful that Dr. Rose Delores Gibbs has offered to exhibit a portion of her vast collection of international art. Much of the collection was acquired while she served as a physician with the Peace Corps. We would be honored if you would attend this event as our guest.

An informational flier is included. If you are unable to attend, but would like to donate to "Potties for the People", you may send a check to Trinity Episcopal Church, with "Potties donation only" in the subject area. We have a Facebook event page, "Celebrating Cultures – An Art Gala" if you need any additional information: (<https://www.facebook.com/events/876863949069152/>) .

Sincerely,
