Chaney,

Hope you're well today. I was looking for a quote or statement from the governor regarding the roads debate for today.

How closely is the governor watching this debate? Has she been in contact with Senate and/or party leadership? What does she want to see happen? Does she think this has taken too long? Is she optimistic there will be a resolution? Has she reviewed the Senate's Lourie/Cleary amendment, which features tax relief but not at the level she has suggested? If she has, what are her thoughts on the plan.

I'm in the JTRC meeting right now and will be in the Statehouse shortly to cover the debate today. Let me know as soon as you can, thanks,

Gavin
