Dear Christian,

Jerry Burgess joins me in thanking you for your time spent with all of us last month. We appreciated the opportunity to discuss the mission for Consumers' Choice Health Plan, and how we plan to enhance the lives of many South Carolinians through our non profit, member governed, wellness centric health plan model. In coming months, we would welcome the opportunity to further discuss the Federal Exchange, and our role in SC. If we can be a resource, please let us know. We would like to remain a part of the conversation.

In regard to Medicaid Expansion, I read, with interest, an article about Arizona's success in a cost containment public/private offering (Medicaid) which has run quite successfully for about 20 years. I plan to read more about that. Have you seen any information on that subject?

Thanks, and hope all is well.

Best Regards,

Katherine Nelson Todd
