Subject: DDSN data for WL reduction.xlsx

Attachments: DDSN data for WL reduction.xlsx

---

Attached is our model of the DDSN waiver slots that will be reduced. There is a FY15 column for waiver slots and associated cost, assuming a ramp up, and the two far right columns are the annualized numbers. The model assumes that a little over 1000 waiver slots can be filled for \$30 M. Let me know if you have any questions.

Thanks,  
Erin
