William,

I just received this from a constituent. Is it true? If so, what is being done about it?

Thanks,

Shane

Sir good day

I have recently learned of a Spartanburg DSS employee in management being arrested of CDV charge and nothing being done about it. Is this the new standard of state employees? If DSS holds standards for its clients then why not its employees? . Seems wrong to allow those who work with CPS and APS to continue. It's bad enough that the working environment is hostile and the workers can't say anything about this matter. Details are on fits news web site. I am happy to talk to you about this. At this time I have not contacted local news but if actions are not taken I will not hesitate to contact them. If you'd like to contact me my phone number is
