Karen:

Thank you for this information. We see no action points from our side nor a need for programmatic changes in SC. That said, we stand ready to continue to work closely with the Governor's office to maintain support for refugee resettlement in SC.

Best,

Larry

Good afternoon,

We wanted to make sure that everyone was aware of the Resolution that was passed by Anderson County Council and to make you aware that it is our understanding from the correspondence received from Conservatives of the Upstate that we anticipate resolutions will be introduced at other counties in the upstate. We have made Governor Haley's office aware of these developments. If you have any questions, please do not hesitate to contact me.

All the best,

Karen
