Subject: State of the State media inquiry

Hello Chaney,

I'm a reporter with WJCL ABC News in Savannah and I'll be covering this week's State of the State.

I was wondering what information you have about the event so I can prepare for this upcoming week.

All I've been told so far is that it will be held in the evening. I checked the state legislature's website but didn't find anything.

Any information would be greatly appreciated!

Thanks in advance,
Meghan Schiller
