

On This Day of March 21, 2015

I Lee Harbeson worked at Parker Hannifin  
from 3-5-2001 until 2-5-2015.

On 2011 I hurt my Elbo at work  
and had operation on my Right Elbo, went  
back to work after two weeks.

On Feb 5, 2015 The Works Connection  
Insurance said if I Didn't Resign I  
would be Terminated.

I had to Resign on Feb 5, 2015  
I think it was unfair, and I was  
mislead, on my Termination.

What can I do? I need your help!

I need my job, help me if ya can!!
