Governer Haily,

I am Barbara  
O'Brien. I am a

single older woman

that is disable. My

roof has been leaking  
ever since the flood.  
which now has caused  
more damage. not only  
to my roof but inside  
mold & Mildew. Along  
with sinking front floor  
I have done & sent  
everything that FEMA  
has required since  
Oct 8 or 9<sup>th</sup>. They have  
still turned me down  
I'm sending the last  
letter they sent me. I  
don't understand. The fact  
is it's getting worst with

all the rain. Which now  
I am living in some  
mold + Mildew. Its  
not good for my asthma  
or COPD. I need help  
its gonna fall apart the  
more its not fix. I fear  
I wont have a home.  
I only get \$559.00 month  
cant I afford to pay  
what the contractor  
wants to fix it.

4,900.00 Please help or  
Send me some where  
who will. I'm not asking  
for much, just to fix my roof.
