## South Carolina State Parks

at 15:00:01 on 4/14/2015 UTC · 🌐

Congratulations to our newest Ultimate Outsider, Coit Morrison! Coit had previously visited all 47 parks but decided to do it again when our park guide and Ultimate Outsider program came about. His fave parks are: Hunting Island along the coast, Jones Gap in the Upstate and Landsford Canal and Poinsett in the Midlands. Coit is pictured here with park manager Al James at his "home park" Landsford Canal State Park. You can do it too. Learn more here: <http://bit.ly/K743X2>

**Christian Joy Miller** I wish other states did it too - I think the National Parks do a passport book to stamp when visiting but I don't think they do any type of reward or congrats for visiting them all

**Patrick D Timms** Awesome. I wonder if I could be grandfathered in? I even lived at Bakers Creek and Chester for a total of 20 years when my Dad was a park manager.
