Katherine -

Well, at least there was one really good thing that happen on Tuesday. I feel about 325 lbs lighter.

A constituent of mine owns a large direct mail company (PCI Group) in Lancaster County. They do massive mailings for banks, telephone companies, etc. He contacted me to inquire as to whether the state would be doing a mailing to those affected by the security breach at DOR. He said this is a slow time of year in the business and it is something they could handle. Anyway, just passing this in case there is a need.
