Thanks! The AG's office actually sent it over right after I sent you an email. So any additional info/statement your office would like to release, we'd appreciate it.

Thanks again!

LaDonna,

Thanks for reaching out.

Chaney can get you what you need from our office.

But with regard to what you're looking for on the lawsuit, please reach out to Attorney General Wilson's office. They'll be able to get you squared away with any and all background.

Thank you!

Hi Rob,

I hope you are doing well. I just saw on Twitter that Gov. Haley tweeted the state officially filed its lawsuit against DOE. Can you provide us additional background – or have a copy of the complaint you can send?

Thank you for any help you can provide for our evening shows.
