A special thanks to the Community Foundation of Greenville for a recent \$8,500 grant awarded to state parks, that will improve the visitor experience at Paris Mountain State Park! Enhancements will allow for a safer, faster check-in for campers, as well as wi-fi access to increase visitation and revenue. As park manager Jason Hege said, "We are grateful for partners like the Community Foundation of Greenville, who make it easier for us to serve as stewards of the region's natural and cultural heritage."
