Dear Charles,

What is this country coming to?

This morning's video (around 6 and half minutes):

Sgt. Frost pulled Deven Guilford over on

the evening of February 28, after the teen flashed him his brights, because he thought Frost's high beams were on.

Sgt. Frost pulled over Guilford and Frost's own small video camera, mounted on his lapel caught everything that ensued, quite clearly.

What began as the gesture of a Good Samaritan on the part of Guilford, escalated, on the part of the power-tripping, 'roided-out cop, into a scene, where a minor was dragged from his car and ordered to the ground at gunpoint, hog-tied and arrested.

Luckily, we are spared from seeing what happened next. 17-year-old Guilford was shot 7 times, at point blank range, as he lay helpless on the ground. He was killed.

Take a look at this clip and you tell me if you think this psychopathic, murdering police

officer should remain on the streets, let alone  
a free man and tell me if you this kid deserved  
to be shot 7 times - while hog-tied on the  
ground, mostly due his youthful inexperience  
with police procedures in the US, where one  
must slavishly agree to every maniacal whim  
of an officer, if one would hopes to make it  
out, alive.
