Dear Rep. Rivers,

Thank you for extending a kind invitation for Governor Haley to speak on October 10th at 6:00 pm. We appreciate your patience as we work on the schedule for that time, and the Governor is looking forward to the opportunity to speak at the event. Please confirm our attendance, and may you and I work on the details for the event? Our office typically likes to review any written or promotional material as well before distribution.

Please let me know if you have any questions or to discuss further - I may be reached at 803-734-5151.

Thank you,
Leigh LeMoine
