Marcia,

A CIO customer emailed our survey saying that the legislature has VOIP because they are exempt from the CIO....before I print the quote (which I like) I was hoping that your IT folks could verify whether or not that's the case.

Chad

Henry,

I have attached a letter outlining my issues with the Voice over IP RFP process. Thank you for the opportunity to voice our concerns so that we may work together to determine a solution that will benefit the citizens of this state.
