Thanks to Duke Energy Foundation, we are cutting the ribbon on a big, new project at Camp Buckhorn at Paris Mountain State Park, on Friday, March 29. The foundation's \$100,000 grant helped us clean up Lake Buckhorn, improve the habitat for migrating birds and uncover a little "secret" that's been hiding in the woods for 50 years! Please come out and join us for the 11:00 a.m. event this Friday! <https://southcarolinaparks.com/paris-mountain>

Ronnie McCall I love Paris Mountain and everything it has to offer, Exciting to see even more improvements to Camp Buckhorn...With that said make it more accessible and more reasonable, The small cabins would be a great nightly or weekly rental instead of having to rent the WHOLE place, Regardless Good news
