Rebecca,

Based on our call the other day, I wrote down a list of whom you may want to invite to discuss follow from PDAP implementation. May not need all of these people, but these are potential:

LLR – Director Emily Farr (put her in the loop), Darra Coleman

DAODAS – Interim Director Sara Goolsby

DHEC – Lisa Thompson and Christy Frick (May want Director Heigel and/or Marshal if there will be further concerns or issus)

DHHS – Bryan Amick

Darra suggested Frank from SLED as he has helped with the naloxone, but I don't think he is necessary for what we need.

We can schedule something a few weeks out to try and get everyone there.

Thank you,

Richele
