To: The Honorable Nikki Haley, Governor of South Carolina

Governor Haley,

My name is Ryan Holloman and I am a Senior at Campbell University in Buies Creek, North Carolina. This year, I was fortunate enough to vote in my first major election, which as you know included voting for the President of the United States as well as Governor for the state of North Carolina. Being a life-long Republican it pained me to see our former Governor, Pat McCrory, loose in such a nail-bitter of an election. However, I began to watch your work in the State of South Carolina during the primary when you came on the campaign trail with Senator Rubio. The work you have done for the people and the community of South Carolina is astonishing and I know you are leaving an amazing legacy, and they are very lucky to have you in office. You quickly became one of my favorite politicians, and actually helped me choose who I would vote for in the primary. After following the campaign trail, I decided to get involved in politics as well and helped with a state house and state senate race, and helped both candidates win. I have also started to collect political memorabilia and was wondering if it were possible for me to acquire a bumper sticker or yard sign from your campaign?

Next I wanted to offer to you my warm wishes and prayers as you face the Senate to be confirmed. I am sure they will have no problem reaching a decision due to your work and your ethics in South Carolina. America is lucky to have you, as well, and I will continue to pray for you.

Very Respectfully,

Ryan Holloman
