FYI - The Committee accepted all of DSS' topics, except Child Welfare Training, and included 3 additional topics - caseload data, county-specific data and a discussion of Webb case.

William,

Attached are the topics that the members of the DSS Oversight Subcommittee would like for the Department to be prepared to cover. Keep in mind that by no means is this a binding list that limits the questions that the members may ask. Should you have any questions please do not hesitate to contact me.

Thanks,
