Can she just join us for a short 10 minute interview today or tomorrow. We can tape or go live. Michael is a huge supporter and we played several audio clips from her speech and praised it yesterday on our national show. As you know, most if not all of talk radio ripped her but Michael defended her....can we please find 10 minutes today, we can tape at 2pm ET.

Thanks,

Jeremy,

Thank you for reaching out. Unfortunately, the governor doesn't have any availability.

Copied Chaney's correct email address for your records.

Can we schedule an interview this week. Michael agrees with her speech and is eager to provide some support. Our show airs in SC and also in 325 other cities nationwide from 3-6pm ET.
