Danny,

Great to speak with you yesterday. This note, followed by a more thorough one, will confirm that we are to meet with Gov Bryant on Aug 16 at 9 am. There are three items on the agenda,
Computer Science/Technology
TV White Spaces for Rural Broadband- and how does Microsoft help in the Aging Community
Opioid Crisis

Again many thanks. I'll send over relevant info and a list of who will be attending. I'm waiting to determine the final group--- at the moment it is myself and Terrance Herron, Regional Manager of Govt Affairs for the SE. Thanks again so much.
