

The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

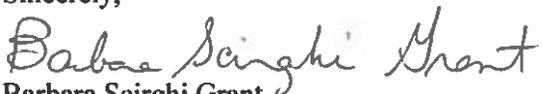

Dear Governor Haley:

I am writing to ask if you would send a birthday greeting to my father, Thomas A. Scirghi, who will be celebrating his 90th birthday on Christmas Day, 2015. He has been a resident of South Carolina for the past fifteen years. He is very passionate about education and believes it is the pathway to a fulfilling life. He is very proud of his five granddaughters, who are working in Law, Medicine, Business and the youngest are freshmen in college. Three of his granddaughters graduated from the Governor's School for Science and Math. He recognized what a wonderful opportunity it was for them.

Please send the card to: Thomas A. Scirghi

Thank you, Governor Haley. We wish you continued success.

Sincerely,

  
Barbara Scirghi Grant
