Hi Holly,

Hope you are well! I gave birth to my daughter slightly early so I am just now coming off of a very quick break. We opened a 4th, private round during my "maternity leave" and the committee will meet Monday to decide awards. The 4th round was limited as we have around \$225,000 in the fund.

To answer your questions yes, all of those totals are still accurate. The first round grant recipients have their project reports due to me next week. I look forward to sharing that with you.

Best,  
Dana

Are these still accurate? Have there only been three rounds of grants so far? And, if so, when is the next round of grants?
