ATTORNEY-CLIENT MAIL

Mr. Willie Moses Anderson
170797
Lee Correctional Institution
Chesterfield Dorm 2226
990 Wisacky Highway
Bishopville, SC 29010

Dear Willie:

Thank you for your call the other day. It was good to have a chance to talk about your case. As we discussed, we plan to file your supplemental motion for DNA testing in the near future. However, after I read through the statute again, I realized that even though you have already applied for DNA testing on your own, it would be best if you sign another verification form swearing that the contents of the supplemental motion are true.

I have enclosed a draft of the supplemental motion so that you can read through it one more time. After reviewing the draft, please **sign** and **have notarized** the extra verification form and mail it back to me as soon as you possibly can so that we can file it along with the supplemental motion. You only need to mail the signed and notarized verification form. You can keep the current draft for your own records.

Please feel free to call if you have any questions. Wishing you all the best!

Sincerely,
