Dear Ms. Haley:

I write to you as a long - time Republican, now turned tea party conservative.

In your Republican Response to the STOU address you attacked Donald Trump's immigration position.

A few comments for you—but you don't care to listen--

1. "No one who is willing to work hard" should be denied entrance to my country—the Mexican immigrants are NOT willing to do this, they want the free stuff. Where have you been? This is all well documented.
2. "Abide by our laws"—out here in the west the Mexican immigrants fly Mexican flags **not American flags**—they have no desire to assimilate, you give them everything they need. Why should they. They don't even attempt to learn the language. Where have you been?
3. "Love our traditions" – Muslim immigrants in no way want to assimilate or love our traditions, and also WILL NOT abide by our customs. It's AGAINST THEIR MUSLIM RELIGION. Being Muslim is a Governing Ideology more than a religion—women have no rights, women can't vote, women can't drive, MEN CAN RAPE AND ABUSE WOMEN AT WILL, and the moderate Muslim view this as a governing ideology—they want to govern us by Sharia law rather than assimilate. Moderate Muslims won't cut your head off, but they won't stop someone else from doing it either, and they certainly will **NOT ACCEPT A CONSTITUTIONAL REPUBLIC**. They do not accept our form of Government and never will.
4. **Apparently you support an open borders policy.** "That's not who we are". Really? Ever hear of Ellis Island, ever hear of vetting people before entering our country—that's any nation's right to Sovereignty. Without sovereignty-- we have no country – it's a one world order, with the Elites like you running it. If you ever **read the Constitution**, clearly it states we have a right to be a sovereign nation and to oppose that right and defy that right is TREASON. You are guilty as charged.
5. Under your view there is no preference given to Americans for jobs. Under your view expanding and allowing the present VISA entry program means an American with a degree in computer programing, who has spent \$200K + to get his degree, is replaced by someone from Pakistan who will work for half the money, or minimum wage—RESULT-- AMERICAN OUT FORIEGNERS IN FOR JOBS. RESULT BIG CORPORATIONS POCKET IMENSE AMOUNTS OF EXTEA PROFIT. RESULT—YOU GET A KICKBACK AND A DONATION for supporting open borders. Result—me and my family are at risk from an economic and safety viewpoint. What's next—you going to support the Democrats on Gun Control?

Apparently your speech was pre-approved by Paul Ryan and the Republican Elites. You are apparently now a Republican Elite, and too stupid to realize that there is 65% conservatives and growing on the

Trump side against your position. You were elected to carry out the will of the people. Remember? Not the will of the elites. SHAME ON YOU! Establishment office holders like you need to resign.

**I SHALL DO EVERYTHING IN MY POWER** AS a Tea Party Conservative to knock you out of office. Your interview with NBC (the conservative enemy) is atrocious. I thought you to be honest and respectable when you were elected and I SUPPORTED YOU. I was wrong.

Not any more – take your Trump comments and go to hell,-- and take the rest of the old Republican Party with you.

**Un-sincerely Yours:** Contact me if you dare--
