S.C. Chamber Statement on Deaths of Cathy Novinger & Judy Davis

COLUMBIA, S.C. – South Carolina Chamber of Commerce President and CEO Ted Pitts released the following statement on the passing of two of South Carolina's Business Leaders, Cathy Novinger and Judy Davis, who both formerly served on the Chamber's Board:

"South Carolina's business community mourns the loss of two of its brightest lights. Cathy Novinger and Judy Davis each leave a legacy that stretches far beyond the business world. Both women were trail blazers and vital to the advancement of women in leadership roles in the Palmetto State. They will be missed, but the impact of their lives and work will be felt forever. Our thoughts and prayers are with their families, loved ones, and innumerable friends and colleagues during this difficult time."
