Danny,  
We will do this site visit on Monday and then move forward with our announcement. I think a quote for the Lt. Governor would be good. I will send some for you to approve, if you wish.

Darryl here is a draft announcement for the Middle Tyger River PIP grant.

PIP grant protocols require a face to face meeting with the applicant. I am meeting with the applicant on Monday, April 3 at the Appalachia COG. The AAA Director will be joining me. Once that meeting is concluded, I am confident that this grant can be awarded. I have dated the draft announcement for April 4.
