**Subject:** Code of Laws updated through the 2017 Legislative Session

---

The Code of Laws updated through the 2017 Legislative Session is now available on our network and website.

The current Code of Laws are now accessible in the following areas:

#### Network versions

- Word format with all annotations - located on H:\\Code
- Word format without any annotations for bill drafting is located on H:\\CodeUnannotated

#### Intranet (internal web) versions

- Word format with all annotations
- HTML/PHP format with Council approved annotations - (History line; Effect of Amendment, Editor's and Code Commissioner's notes)

#### Internet (external web) versions

- Word format with Council approved annotations - (History line; Effect of Amendment, Editor's and Code Commissioner's notes) Includes a disclaimer from Legislative Council.
- HTML/PHP format with Council approved annotations - (History line; Effect of Amendment, Editor's and Code Commissioner's notes) Includes a disclaimer from Legislative Council.

#### Code of Laws web searches

- The intranet searches the fully annotated version.  
The internet searches the version with Council approved annotations - (History line; Effect of Amendment, Editor's and Code Commissioner's notes) Includes a *disclaimer from Legislative Council*.
