Subject: Senator DeMint Replacement

Good morning Katherine,

You may remember me as the President of the Sun City Carolina Lakes Republican Club. I would like to lend my voice for the appointment of Congressman Mick Mulvaney to fill Senator DeMint's seat in the Senate. Congressman Mulvaney has done an outstanding job of representing District 5 in the House of Representatives in Washington.

Please pass this along to the Governor.

We wish her well.

Regards,

Michael
