at 5:27:47 on 1/20/2018 UTC

**Marsha Santos** I've only been to Myrtle Beach. It was in the spring. Most of the beach was empty and pristine. The sand was so much softer than the sand here at Newport Beach, Ca. I loved how the tall reeds grew on the sand dunes and that they had little stairways to walk over them, on the way to the beach. The water was so blue!!! I hope to go back some day and spend some time with my grandson.
