Subject: VPN map

Holly

Here are the steps

1. Connect VPN
2. Open my computer
3. In navigation window at top enter
[\\bcbad.state.sc.us\\sysvollscripts](https://bcbad.state.sc.us/sysvollscripts)
4. Find and double click ecoslogon-VPN
5. If the black window prompts for a password just hit enter until the window goes away.

Your drives should now be mapped

Jim
