Agneda Item worksheet - elimintion of vacant FTEs Act 121 of 2014.docx

Christian,

Attached is my proposal for the deletion of 60 FTEs. I don't think we need to exceed 60 because I am not sure how many vacant positions may be needed for the other entities created by the DOA legislation.

Marcia,

See attached for a proposed Agenda Item Worksheet for the board's approval of eliminating 60 FTEs. Also attached is a summary list that Jason prepared setting out the area and number of the FTEs. The worksheet references that list as exhibit A. Let me know if this is what you had in mind.
