OK, we're good on provisos. Josh is reaching out to Quentin/Beth this morning on a couple of allocation questions. Thanks again.

I have attached two proviso documents. The first one is the latest version of what you have been reviewing. The second one is the actual bill with all provisos in it just in case you want to see if there is something we missed changing.

Please let me know if everything is ok as soon in the morning as you can.

Thank you.
