Dear governor Haley,

Your message the other night was excellent and to the point. I am a great supporter of you and our state Republican party and also serving on the election committee, I have followed your last 4 years with great admiration. My only comment about the other night was the 2 point reduction in state tax is ok, but the 10% gas tax increase... The reduction does nothing for a 72 year old retired textile worker whose company went over seas and our management stole part of our retirement money, the gas tax will add to our living costs, knowing we need better roads.
Thank you.

Sincerely your Charles Loucks
