Subject: RE: Lowcountry/Hampton Waivers

Hank, on 9-11 I sent the following message to you. Have you had an opportunity to address those concerns and see if the PSA has the carry forward funds to operate these sites without waivers/

Hank,
Tony and I reviewed waivers this morning. He noted that Lowcountry had a large pot of C-1 and C-2 carry forward money and wanted to know why that hasn't been used to fund the additional days at those sites. Please advise.

Thanks
Gerry

Subject: Lowcountry/Hampton Waivers

Gerry,
I wanted to check on the status of the clarified Hampton waivers.
I spoke with Tony and he said you all had gone through the waivers and granted several, (not PIP sites), but I have not received any confirmation.
Therefore I have not been able to communicate any guidance to the providers.
And it is the end of the 90 day period.
Please advise.
Thanks,
