Christian-

I can give you back story but Rhonda is calling Josh to "get approval" for this. I thought it had been taken care of.

A timely phone call from you may help

Rhonda,

Per our conversations with COC over the past year, we intended to do a final permanent transfer between the two agencies for TCM so that all of the Medicaid funding would be in our budget. Based on our conversations with you guys the remaining amount that COC was willing to transfer was \$341,036.

We have included this amount in our request for SFY 16 and need for you guys to do the same. Heather can give you the language we used on our side if you need it.

Please let me know if you have any questions.

Thanks!
