Actually, now that we're basically on the clock for budget vetoes, do you think we could meet next week instead? It's not terribly time-sensitive...I just wanted to be sure I caught him before session really wraps. Thanks.

Alexander mentioned the meeting to me yesterday - I will keep you posted. He told me he would come down sometime today to meet with you along as he has a tv in the room.  
Are there times today you are not able to meet?

Sorry Katherine - I didn't get this until I got back to my desk....I haven't gotten the computer dudes to link my phone and my work emails yet...did they meet yesterday? If not, maybe we can grab him today if Malloy is "chatting" for a while....

What are your thoughts about Christian meeting with Chairman Alexander after the bill signing today or upon adjournment?

Thanks,
